

Private Equity Professional Edge®

It's a new era for private equity and venture capital firms, and management and professional liability exposures are greater than ever before. Private equity and venture capital firms and their managers are faced with threats of litigation arising from dissatisfied investors, the bankruptcy of portfolio companies, regulatory investigations, disgruntled employees, and a myriad of other exposures. They need cutting edge professional and management liability protection and an experienced insurer by their side to handle complex claims and litigation.

Private Equity Professional Edge® provides comprehensive coverage, encompassing the full spectrum of professional and management liability exposures, coupled with the prominent claim and litigation management expertise and resources of AIG.

Taking your fund global? Securing the local coverage you need is easy.

As your private equity or venture capital firm grows, your coverage can easily expand with our coordinated service platform. We streamline access to private equity management and professional liability insurance policies that are aligned with local laws, regulations, and customs worldwide.
