

The purpose of this fact sheet is to inform you of your rights.
It does not relieve the insurer or the distributor of their obligations to you.

LET'S TALK INSURANCE!

Name of distributor: _____

Name of insurer: _____

Name of insurance product: _____

IT'S YOUR CHOICE

You are never required to purchase insurance:

- that is offered by your distributor;
- from a person who is assigned to you; or
- to obtain a better interest rate or any other benefit.

Even if you are required to be insured, **you do not have to** purchase the insurance that is being offered. **You can choose** your insurance product and your insurer.

HOW TO CHOOSE

To choose the insurance product that's right for you, we recommend that you read the summary that describes the insurance product and that must be provided to you.

DISTRIBUTOR REMUNERATION

A portion of the amount you pay for the insurance will be paid to the distributor as remuneration.
The distributor **must** tell you when the remuneration exceeds 30% of that amount.

RIGHT TO CANCEL

The Act allows you to rescind an insurance contract, **at no cost**, within 10 days after the purchase of your insurance. However, the insurer may grant you a longer period of time. After that time, fees may apply if you cancel the insurance. **Ask** your distributor about the period of time granted to cancel it **at no cost**.

If the cost of the insurance is added to the financing amount and you cancel the insurance, your monthly financing payments might not change. Instead, the refund could be used **to shorten the financing period**. **Ask your distributor for details**.

What is AppleCare+?

AppleCare+ is an insurance policy (“Policy”) that covers your device for repair or replacement in the event of defects in materials and workmanship or accidental damage and provides priority access to technical support from Apple.

Your AppleCare+ policy may be one of the two types:

1. Fixed-Term Policy, which provides AppleCare+ for a fixed period of time, unless cancelled; or a
2. Monthly Policy, which provides AppleCare+ on a monthly basis and automatically renews month-to-month, unless cancelled.

What is included with my coverage?

Repair or Replacement

Apple will repair or replace your device if it:

- (a) experiences physical damage, breakage, or failure due to accidental damage from handling resulting from an unexpected and unintentional external event, and which affects the functionality of your device; or
- (b) malfunctions as a result of defects in parts and workmanship, including where the capacity of an integrated rechargeable battery to hold an electrical charge is less than 80% of its original specification.

Technical Support

Apple will provide technical assistance to you on a priority basis if your device ceases to work correctly.

Who can enroll in AppleCare+?

You are eligible for AppleCare+:

- If you are at least 18 years old on the date of purchase of AppleCare+ and your main residence is in the Province of Quebec.

- If you are a business customer, you have purchased the device for use in connection with a business, trust, charity, or other unincorporated body established in the Province of Quebec.

When does my coverage start and end?

Your AppleCare+ coverage starts on the date you purchase AppleCare+. This date is shown on your sales receipt and Proof of Coverage certificate.

Depending on device type, where you purchased your device, or if the device is in your possession, your coverage ends at the earliest date and time when either you cancel the AppleCare+ policy or AIG, or Apple on AIG's behalf, cancels the policy, or as stated in your Proof of Coverage certificate.
