2. The Policy

- 2.1. Your Policy is made up of this insurance document setting out the terms and conditions of Your coverage under AppleCare+, the original sales receipt for this Policy, and Your POC certificate. Please check them carefully to make sure they give You the coverage You want. If Your needs change or any of the information on which the Policy is based changes, Apple and AIG may need to update their records, and the details on Your POC certificate may need to be altered.
- 2.2. Should You need to obtain a replacement POC certificate or obtain a copy of Your insurance details, visit mysupport.apple.com/products, and follow the instructions.

3. Policy Type and Coverage Period

- 3.1. Whether You have purchased a Fixed-Term Policy or a Monthly Policy, Your Policy type and coverage period will be set out on Your sales receipt and POC certificate. The Premium and any applicable Sales Tax must be paid by credit card, debit card, or other authorized payment source e.g., Apple Pay (the “Payment Source”). If Your payment has not completed correctly (for example, if Your payment debit or credit card fails), You will be informed and You will need to take action to complete the payment. If an Insured Event occurs and Your payment has not been completed, You will not be entitled to receive coverage.
- 3.2. For both Policy types, Your Accidental Damage Coverage, Hardware Coverage, and Technical Support start from the date You purchase Your Policy. This means that if You purchase AppleCare+ after You purchase or begin to lease Your Covered Equipment, You will only receive Accidental Damage Coverage, Hardware Coverage, and Technical Support from that date. Your Policy purchase date is shown on the original sales receipt for Your Policy.

- 3.3. Fixed-Term Policy: Your Policy term is fixed as set forth on Your POC certificate. AIG, or Apple on AIG's behalf, is not obligated to renew Your Fixed-Term Policy. If AIG, or Apple on AIG's behalf, does offer to renew, it will determine the price and terms.
- 3.4. Monthly Policy: Your Policy duration is one (1) month. Your Policy will automatically renew each month beginning from the date You purchase Your first Monthly Policy as reflected on the original sales receipt for Your Policy. You agree to have the Payment Source used for Your initial Policy purchase kept on file. For subsequent monthly renewals the Payment Source will be automatically charged the monthly Premium in advance of the first day of each month. If Your Payment Source cannot be charged for any reason, and You have not otherwise made the appropriate renewal Premium payment on time, Your Policy will be cancelled in accordance with clause 10.6. In the event Apple is no longer able to service Your Covered Equipment, Apple will provide You with one month advance written notice of cancellation, or as otherwise required by law, after which Your Policy will cease to renew.
- 3.5. Your coverage under both Policy types may end earlier if You have exercised Your right to cancel at any time for any reason under clause 10, or if it is cancelled by AIG in accordance with the terms of this Policy.
- 3.6. This Policy does not cover You for damage to the Covered Equipment from an Insured Event which occurred before this Policy was purchased or after the Policy has been cancelled or otherwise terminated.

4. Coverage

- 4.1. **Accidental Damage Coverage and Hardware Coverage.** If You make a valid claim under the Accidental Damage Coverage or Hardware Coverage element of this Policy, AIG, at its discretion, will arrange for Apple either:
- 4.1.1. to repair the Covered Equipment using new parts or previously used genuine Apple parts that have been tested and pass Apple functional requirements; or
- 4.1.2. if it would not be practical or economically viable to perform a repair, to supply a replacement for the Covered Equipment with a new Apple-branded device or a device comprised of new and/or previously used genuine Apple parts that have been tested and pass Apple functional requirements. All replacement products provided under this Policy will have the same or substantially similar features (e.g., a different model, or the same model in a different colour with the same or enhanced technological or functional features or capabilities) as the original Covered Equipment (subject to applicable Consumer Software updates), or at Apple's option, the replacement product will be the same or more recent model but with different technological or functional features or capabilities as the original Covered Equipment. The replacement Apple-branded device will become the new Covered Equipment under this Policy. In the event of a replacement, Apple or the Apple Authorized Service Provider will keep the original Covered Equipment, which will become Apple's property. Apple or the Apple Authorized Service Provider may use devices or replacement parts for service that are sourced from a country that is different from the country from which the Covered Equipment or original parts were sourced.
- 4.2. If repair or replacement under clauses 4.1.1 and 4.1.2 are not possible or available, AIG will reimburse You with Apple store credit, an Apple gift card, or bank transfer in the amount equal to Apple's current retail price for the original Covered Equipment (or, if Apple does not currently sell the Covered Equipment model, the retail price at which Apple last sold the Covered Equipment model), or the amount paid for the Covered Equipment as shown on the original proof of purchase, whichever is greater. In the event a reimbursement is made in accordance with this clause, the original Covered Equipment will become Apple's property and Your Policy will automatically cancel as You are no longer in possession of the Covered Equipment.
- 4.3. If a repair or replacement is provided to You under clause 4.1.1 or 4.1.2, Apple, or the Apple Authorized Service Provider, may install the latest software and operating system that is applicable to the Covered Equipment as part of coverage provided by this Policy. Third-party applications installed on the original Covered Equipment

may not be compatible with the Covered Equipment as a result of the software and operating system update. If You make a claim in a different country from that in which You bought or leased the Covered Equipment, Apple or the Apple Authorized Service Provider may repair or replace products and parts with locally comparable products and parts.

- 4.4. **Deductible.** Each time You receive service for Accidental Damage Coverage is a “Service Event,” subject to the Deductibles described below. In relation to each valid claim for Accidental Damage Coverage that You make under this Policy, before You are entitled to the benefits in clause 4.1 through 4.3, You will have to pay the applicable Deductible set out below towards the cost of the claim. The Deductible can be paid to Apple or the Apple Authorized Service Provider by an authorized Payment Source.

The following Deductibles apply to each Service Event:

Tier 1 Accidental Damage claim:	CA\$39
-Damage to Included Accessories	
Tier 2 Accidental Damage claim:	CA\$399
-Other Accidental Damage	

**Deductibles do not include applicable sales taxes payable by You, if any.*

Please note that if You make an Accidental Damage Coverage claim in a country other than Canada under this Policy, the Deductible, or equivalent local fees may need to be paid in that country’s currency and at that country’s applicable rate. For further details, please visit apple.com/legal/sales-support/applecare/applecareplus/ and select the appropriate device and location in which You seek service to view the applicable terms and fees.

For the Tier 1 Accidental Damage Coverage claim Deductible to apply, the Covered Equipment must have no additional damage beyond the Included Accessories that would prevent Apple from repairing and/or replacing the Included Accessories. Covered Equipment with additional damage will be categorized as Other Accidental Damage claims and will be subject to the Tier 2 Other Accidental Damage Deductible.

- 4.5. **Claims Limit.** There is no limit on the number of claims You can make for Insured Events. Claims submitted and received by Apple and/or AIG in accordance with clause 7 after Your Coverage Period may not be covered by the Policy.
- 4.6. **Technical Support.** If You make a valid claim under this clause of Your Policy, You will receive priority access to the Apple Technical Support helpline if Your Covered Equipment ceases to work correctly. Technical Support will cover the Covered Equipment, visionOS, Consumer Software, and any connectivity issues between the Covered Equipment and a compatible wireless device or computer that meets the Covered Equipment’s connectivity specification. It will cover the then-current version of the visionOS and Consumer Software, and the prior Major Release. “Major Release” means a significant version of software that is commercially released by Apple in a release number format such as “1.0” or “2.0” and which is not in beta or pre-release form.

5. Exclusions

- 5.1. **Accidental Damage Coverage and Hardware Coverage.** Apple may restrict service for Accidental Damage Coverage and Hardware Coverage to the country where the Covered Equipment was originally purchased. Installation of third-party parts may affect Your coverage. As a condition of receiving Accidental Damage Coverage or Hardware Coverage services, all Covered Equipment must be returned to Apple in its entirety including all original parts or Apple-authorized replacement components. 6. General Conditions

- 6.1. To have the full protection of Your Policy, You must comply with this clause as well as clauses 7, 8, and 9, which are conditions of this Policy. Failure to comply with these conditions may result in Your claim being declined.

- 6.2. The following conditions apply to this Policy:

- 6.2.1. **Original Parts.** As a condition of receiving Accidental Damage Coverage or Hardware Coverage, all Covered Equipment must be returned to Apple in its entirety including all original parts or Apple-authorized replacement components.

- 6.2.2. **Coverage Exclusions.** Coverage under Your Policy is subject to those exclusions set out in clause 5.

- 6.2.3. **Premium Payment and Coverage.** The Premium and any applicable Sales Tax must be paid before You can receive Accidental Damage Coverage, Hardware Coverage, or Technical Support, and no claim will be met under this Policy if the Premium and any applicable Sales Tax have not been paid in full.

For Fixed-Term Policies, if You agree to pay the Premium by Installments, You will be required to enter into a Payment Plan Agreement with a Payment Plan Provider, and You can receive the Accidental Damage Coverage, Hardware Coverage, or Technical Support from the time You enter into the Payment Plan Agreement. You must pay Your Installments in accordance with the terms and conditions of Your Payment Plan Agreement.

- 6.2.4. **For Fixed-Term Policies Only: Non-Payment of Installments.** Where You pay the Fixed-Term Policy Premium by Installments and You have not paid Your Installment arrears by the date requested in the Arrears Notice, the Payment Plan Provider may request that AIG cancel Your Policy. established in the Province of Quebec.

- 6.2.7. **Other Insurance.** If You have another insurance policy in respect of the Covered Equipment in force during the Coverage Period, then You can still make a claim under this Policy because AIG agrees to provide coverage to You irrespective of, and without regard to, any other policy.

7. How to Make a Claim

- 7.1. **For Accidental Damage Coverage and Hardware Coverage.** You must report Your claim as soon as possible by visiting an Apple retail store or Apple Authorized Service Provider, by accessing support.apple.com/fr-ca or support.apple.com/en-ca, or telephoning Apple at 1-800-263-3394. Apple will require Your Covered Equipment serial number before providing assistance. Your claim will be settled by means of the options set out in clause 7.4.
- 7.2. For devices with storage media, during the Accidental Damage Coverage or Hardware Coverage service, Apple or the Apple Authorized Service Provider will delete any data held within the Covered Equipment and reformat the storage media. You should back up all data on a regular basis and prior to making a claim where possible.
- 7.3. If requested, You must produce the proof of purchase for Your Covered Equipment and Your POC certificate in order to validate that Your Apple product is Covered Equipment.
- 7.4. Valid claims for Accidental Damage Coverage and Hardware Coverage can be made using one of the following service options:
- 7.4.1. **Carry-in Service.** Carry-in service is available for most Covered Equipment. Return the Covered Equipment to an Apple-owned retail store location or to an Apple Authorized Service Provider (“AASP”) that offers carry-in service. Service will be performed for You at the store, or, if applicable, the store may send the Covered Equipment to an Apple repair service (“ARS”) site for service. You must promptly retrieve the Covered Equipment.
- 7.4.2. **Onsite Service.** An onsite service may be available for Covered Equipment if the location of the Covered Equipment is within a 50-mile (80 kilometer) radius of an Apple Authorized Onsite Service Provider. Certain parts serviceable under Express Replacement Service (“ERS”), as described below, are not eligible for onsite service. If Apple determines that onsite service is available, Apple will dispatch a service technician to the location of the Covered Equipment. Service will be performed at the location, or the service technician will transport the Covered Equipment to an Apple Authorized Service Provider or an Apple repair service location. If the Covered Equipment is repaired at an AASP or ARS location, Apple will arrange for transportation of the Covered Equipment to Your location following service. If the service technician is not granted access to the Covered Equipment at the appointed time, any further onsite visits may be subject to an additional charge.
- 7.4.3. **Mail-in Service.** Direct mail-in service is available for most Covered Equipment. If Apple determines that Your Covered Equipment is eligible for mail-in service, Apple will send You prepaid waybills (and, if needed, packaging material). You must ship the Covered Equipment to an ARS site in accordance with Apple’s instructions. Once service is complete, the ARS site will return the Covered Equipment to You. Apple will pay for shipping to and from Your location if You follow all instructions.
- 7.4.4. **Express Replacement Service (“ERS”)**

ERS may be available for the Covered Equipment, depending on local capability and availability at the time You seek service and the damage to Your Covered Equipment, subject to local law.

If available and You elect to use ERS for Hardware Service, there will be no service fee to use ERS. If available and You elect to use ERS for ADH Service for the battery and/or battery cable of Your Covered Equipment, the service will be subject to the Tier 1 Service Event Deductible stated in clause 4.4. If You elect to use ERS for ADH Service to any component of Your covered device, the service will be subject to the Tier 2 Service Event Deductible stated in clause 4.4 as a replacement item of the covered device will be provided to You.

If Apple requires return of the replaced covered device, Apple may require a credit card authorization for the full amount of the covered device to serve as security for the retail price of the replacement device and applicable shipping costs.

Apple may instruct You to return only the impacted component part of the covered device. Apple will return component parts that do not need service. If Apple requires return of the battery only, or of only the impacted component part of the covered device, Apple may require a credit card authorization to serve as security for the retail price of the battery and/or component part and applicable shipping costs.

If You are not able to provide credit card authorization, ERS service may not be available to You, in which case Apple will offer an alternative arrangement for service. If You fail to return the replaced device or component part as instructed, or return a replaced device or component part that is ineligible for service, Apple will charge the credit card for the authorized amount.

Should You require further assistance, You should contact Apple at the telephone numbers listed below.

- 7.5. The Accidental Damage Coverage and Hardware Coverage service options may vary between countries depending on local capability at the time You seek service and the damage to Your Covered Equipment.
- 7.6. Apple may change the method by which Apple provides repair or replacement service to You, and Your Covered Equipment's eligibility to receive a particular method of service. Where it is not possible to provide a certain method of service set out above, it may be necessary to change the method by which Apple provides Accidental Damage Coverage or Hardware Coverage to You.
- 7.7. If You seek to make a claim under this Policy in a country that is not the country of purchase, You will need to comply with all applicable import and export laws and regulations, and You will be responsible for all customs duties, value added tax, Sales Tax, and other associated taxes and charges that may apply.
- 7.8. You may be responsible for shipping and handling charges if the Covered Equipment cannot be serviced in the country where You seek to make a claim, if not the country of purchase. Where the Hardware Coverage service is conducted outside of Your country of purchase, Apple may repair or exchange defective products and parts in Your Covered Equipment with comparable products and parts that comply with local standards in the country of service.
- 7.9. **For Technical Support**, You can make a claim by telephoning Apple on 1-800-263-3394, who will request the Covered Equipment serial number before providing assistance.

- 8.2. Apple will return Your Covered Equipment or provide a replacement as the Covered Equipment was originally configured, subject to applicable updates. Apple may install visionOS updates as part of the repair or replacement to Your Covered Equipment that will prevent the Covered Equipment from reverting to an earlier version of the visionOS. Third party applications installed on the Covered Equipment may not be compatible or work with the Covered Equipment as a result of the visionOS update. You will be responsible for reinstalling all other software programs, data and passwords.
- 8.3. To the maximum extent permitted by applicable law, AIG, Apple, Apple Authorized Service Providers, and their employees and agents, shall not be liable to You for any indirect losses You incur, for example the costs of recovering, reprogramming or reproducing any program or data or any loss of business, profits, income or anticipated savings resulting from a failure to meet their obligations under this Policy.

9. Deception, Fraud, and Illegal Use

- 9.1. If any claim is found to be fraudulent or if You knowingly give misleading information when making a claim, the claim will be declined, and Your Policy will be cancelled, and a pro rata refund will be provided, if applicable. Apple or AIG may inform the police or other regulatory bodies.
- 9.2. This Policy may be immediately cancelled by AIG if it is notified by a competent authority that the Covered Equipment is used in the course of activity that is an indictable offense or to facilitate or enable any act that is an indictable offense to take place.

10. Cancellation

original sales receipt and/or Your POC certificate.

Fixed-Term Policies Paid in Installments

- 10.2.4. If You purchased a Fixed-Term Policy and pay Your Premium in Installments, You may cancel by calling Apple at 1-800-263-3394, by sending written notice to Agreement Administration, P.O. Box 149125, Austin, TX 78714-9125, U.S., or by contacting the Payment Plan Provider and requesting that they cancel Your Policy on Your behalf.

Monthly Policies Purchased from Apple

- 10.2.6. You may also prevent Your Monthly Policy from automatically renewing by turning off the renewal Premium billing through Your billing platform or, if available, by going to support.apple.com/HT202039 on Your covered device and selecting "Cancel a subscription." Your action in turning off the renewal Premium billing will be deemed an expression of Your intent to prevent Your Monthly Policy from automatically renewing and Your coverage under this Policy will cease at the end of the month for which Your last monthly Premium was paid. Your Monthly Policy will remain active until midnight on the last day of the month at which point Your cover will cease.

Fixed-Term Policies Purchased from Apple

10.3. *Refunds for Monthly Policies*

10.3.1. If You cancel this Policy, not in connection with the return of Your Covered Equipment, You will receive a pro rata refund. If You turn off Your monthly billing renewal, as described in clause 10.2.6, cancellation will be deferred until midnight on the last day of the month at which point it will be cancelled and You will not receive a refund.

10.4. *Refunds for Fixed-Term Policies*

10.4.1. If You cancel this Policy, not in connection with the return of Your Covered Equipment, You may be entitled to a refund of Premium which will be calculated on the following basis:

10.4.1.1. If You cancel this Policy within thirty (30) days of Your Policy's purchase or receipt of this Policy, whichever occurs later, You will receive a full refund.

10.4.1.2. If You cancel this Policy more than thirty (30) days after Your receipt of this Policy, You will receive a pro-rata refund of the Premium. The pro-rata refund is based on the percentage of unexpired Policy term from the Policy's date of purchase.

10.5. Any refund to which You are entitled shall be paid either by crediting the Payment Source You used to purchase the Policy, or Your Payment Source on file for Monthly Policies, and if this is not possible, then by a bank transfer to You. If Your Fixed-Term Policy is financed through a Payment Plan Provider, any refund may be paid to the Payment Plan Provider who paid for the Policy.

Cancellation for Non-Payment of Premium

10.6. If You purchased a Monthly Policy, AIG, or Apple or an Apple Authorized Reseller on AIG's behalf, may cancel Your Policy if You do not pay any monthly Premium payment when due. If any monthly Premium is not paid on the date it is due, You have one month in which to pay it. If it is not paid during that period, the Policy will be automatically cancelled from the date on which the unpaid Premium was due. If the Premium is paid during the month grace period, then cover will operate as if it had been paid on the due date. No claims will be paid from any claim that occurs after the month grace period has passed if the Premium remains unpaid.

Cancellation Upon Authorized Trade-In

10.7. For Monthly Policies, if You trade in Your Covered Equipment to Apple or an Apple Authorized Reseller as part of an Apple authorized trade-in program, that trade-in will be deemed an expression of Your intent to cancel Your Monthly Policy. Depending on the date of Your trade-in, You may be entitled to a refund pursuant to clause 10.3.

AIG and Apple's Cancellation Rights

10.8. If Your Payment Source cannot be charged for any reason for amounts due, including for any Monthly Policy renewal or other Installment payment owed by You, and You have not otherwise made the appropriate payment by the due date or any applicable renewal date, Your Policy may be cancelled for nonpayment and Your Policy coverage will cease from the due date or renewal date.

10.9. AIG, or Apple on AIG's behalf, may cancel Your Policy in the event that Apple is no longer able to service Your

Covered Equipment, at which point You will be provided with one month's advance notice that Your Policy will cease to renew.

11. Transfer of Fixed-Term Policy

- 11.1. For Fixed-Term Policies only, You may make a one-time permanent transfer of all of Your rights under the Policy to another party, provided that: (i) You transfer to the other party the original proof of purchase, the POC certificate, and the Policy's printed materials; (ii) You notify Apple of the transfer as instructed at support.apple.com/HT202712, and (iii) the other party accepts the terms of this Policy. If You financed the purchase of Your Policy through a Payment Plan Provider or otherwise pay in Installments, the transferee must assume and comply with all payment obligations of the transferor, and any failure to do so by a transferee shall immediately trigger the applicable cancellation provisions as described in clause 10. When notifying Apple of the transfer, You must provide the Plan Agreement Number, the serial number of the Covered Equipment, and the name, address, telephone number, and email address of the new owner. Monthly Policies cannot be transferred.

12. Policy Changes

The Policy terms and conditions originally issued to You will remain in effect for the duration of Your Policy term and each Monthly Policy renewal if applicable, unless AIG, or Apple on AIG's behalf, notifies You of revised Policy terms and conditions. AIG, or Apple on AIG's behalf, may, at any time, revise any of the terms and conditions of this Policy, including the price and applicable Deductibles, upon thirty (30) days' written notice to You, or longer if required by law ("Notice Period"). Such notice will be provided in a separate writing or email, or by other reasonable method. If the changes are communicated to You prior to renewal and the changes are acceptable to You, this Policy will continue after renewal. If the changes are communicated to You more than thirty (30) days prior to the renewal of the Policy and You provide express consent to all changes, the modified Policy will enter into force. If You do not agree to the revised Policy terms and conditions, You may cancel the Policy without penalty. If You do not cancel the Policy within the Notice Period, Your continued payment of monthly or other Installment charges (if applicable) or request for service under the Policy after receiving notice of a change in Your Policy terms and conditions, including with respect to a change in price or Deductibles, will be deemed consent by You to be bound by such revised Policy terms and conditions. In any event, You may cancel the Policy at any time in accordance with clause 10.

For both Monthly and Fixed-Term Policies, in the event that AIG changes the terms and conditions to enhance Your coverage without any additional cost, such terms and conditions will immediately apply to this Policy.

QUÉBEC GENERAL CONDITIONS

This policy is subject to the Civil Code of Québec.

Reference to Civil Code articles in some instances is for easier reading only and should not be construed as exact quotations.

For all coverages except where inapplicable.

1. STATEMENTS

1.1. Representation of risk (article 2408)

The client, and the Insured if the Insurer requires it, is bound to represent all the facts known to him which are likely to materially influence an Insurer in the setting of the premium, the appraisal of the risk or the decision to cover it, but he is not bound to represent facts known to the Insurer or which from their notoriety he is presumed to know, except in answer to inquiries.

The client means the person submitting an insurance application.

1.2. Material change in risk (articles 2466 and 2467)

The Insured shall promptly notify the Insurer of any change that increases the risks stipulated in the policy and that results from events within his control if it is likely to materially influence an Insurer in setting the rate of the premium, appraising the risk or deciding to continue to insure it.

On being notified of any material change in the risk, the Insurer may cancel the contract or propose, in writing, a new rate of premium. Unless the new premium is accepted and paid by the Insured within thirty days of the proposal, the policy ceases to be in force.

1.3. Misrepresentations or concealment (articles 2410, 2411, and 2466)

Any misrepresentation or concealment of relevant facts mentioned in section 1.1 and in the first paragraph of section 1.2 by the client or the Insured nullifies the contract at the instance of the Insurer, even in respect of losses not connected with the risk so misrepresented or concealed.

Unless the bad faith of the client or of the Insured is established or unless it is established that the Insurer would not have covered the risk if he had known the true facts, the Insurer remains liable towards the Insured for such proportion of the indemnity as the premium he collected bears to the premium he should have collected.

1.4. Warranties (article 2412)

Any increase in risk resulting from a breach of warranty suspends the coverage until accepted by the Insurer or until such breach has been remedied by the Insured.

2. GENERAL PROVISIONS

2.1. Insurable interest (articles 2481 and 2484)

(applicable only to property insurance)

A person has an insurable interest in a property where the loss or deterioration of the property may cause him direct and immediate damage. It is necessary that the insurable interest exist at the time of the loss but not necessary that the same interest have existed throughout the duration of the contract. The insurance of a property in which the Insured has no insurable interest is null.

2.2. Changes (article 2405)

The terms of this policy shall not be waived or changed except by endorsement.

2.3. Assignment (articles 2475 and 2476)

This policy may be assigned only with the consent of the Insurer and in favor of a person who has an insurable interest in the insured property.

Upon the death or bankruptcy of the Insured or the assignment of his interest in the insurance to a co-Insured, the insurance continues in favor of the heir, trustee in bankruptcy or remaining Insured, subject to his performing the obligations that were incumbent upon the Insured.

2.4. Books and records

The Insurer and its authorized representatives shall have the right to examine the Insured's books and records related to the subject matter of this insurance at any time during the period of this policy and the three subsequent years.

2.5. Inspection

The Insurer and its authorized representatives shall have the right but are not obligated to make inspections of the risk, inform the Insured of the conditions found and recommend changes. Any inspections, surveys, findings, or recommendations relate only to insurability and the premiums to be charged. They shall not constitute a warranty that the premises, property, or operations are safe or healthful or comply with laws, codes, or standards.

2.6. Currency

All limits of insurance, premiums, and other amounts as expressed in this policy are in Canadian currency.

3. LOSSES

3.1. Notice of loss (article 2470)

The Insured shall notify the Insurer of any loss which may give rise to an indemnity, as soon as he becomes aware of it. Any interested person may give such notice.

In the event that the requirement set out in the preceding paragraph is not fully complied with, all rights to compensation shall be forfeited by the Insured where such non-compliance has caused prejudice to the Insurer.

3.2. Information to be provided (article 2471)

The Insured shall inform the Insurer as soon as possible of all the circumstances surrounding the loss, including its probable cause, the nature and extent of the damage, the location of the insured property, the rights of third parties, and any concurrent insurance; he shall also furnish him with vouchers and swear or warrant to the truth of the information.

Where, for a serious reason, the Insured is unable to fulfill such obligation, he is entitled to a reasonable time in which to do so. If the Insured fails to fulfill his obligation, any interested person may do so on his behalf.

In addition, the Insured shall forthwith send to the Insurer a copy of any notice, letter, subpoena, or writ or document received in connection with a claim.

3.3. False representation (article 2472)

Any deceitful representation entails the loss or the right of the person making it to any indemnity in respect of the risk to which the representation relates.

However, if the occurrence of the event insured against entails the loss of both movable and immovable property or of both property for occupational use and personal property, forfeiture is incurred only with respect to the class of property to which the representation relates.

3.4. Intentional Fault (article 2464)

The Insurer is never liable to compensate for injury resulting from the Insured's intentional fault.

Where there is more than one Insured, the obligation of coverage remains in respect of those Insureds who have not committed an intentional fault. Where the Insurer is liable for injury caused by a person for whose acts the Insured is liable, the obligation of coverage subsists regardless of the nature or gravity of that person's fault.

3.5. Notice to police

(applicable to property insurance only)

The Insured must promptly give notice to the police of any loss caused by vandalism, theft, or attempted theft or other criminal act.

3.6. Safeguarding and examination of property (article 2495)

(applicable to property insurance only)

At the expense of the Insurer, the Insured must take all reasonable steps to prevent further loss or damage to the insured property and any further loss or damage resulting directly or indirectly from the Insured's failure to take such action shall not be recoverable.

The Insured may not abandon the damaged property if there is no agreement to that effect. The Insured shall facilitate the salvage and inspection of the insured property by the Insurer. He shall, in particular, permit the Insurer and his representatives to visit the premises and examine the insured property before repairing, removing, or modifying the damaged property, unless so required to safeguard the property.

3.7. Admission of liability and cooperation

The Insured shall cooperate with the Insurer in the processing of all claims.

(the following two paragraphs are applicable to liability insurance only: article 2504)

No transaction made without the consent of the Insurer may be set up against him.

The Insured shall not admit any liability nor settle or attempt to settle any claim, except at his own risk.

3.8. Right of action (article 2502)

(applicable to liability insurance only)

The Insurer may set up against the injured third person any grounds he could have invoked against the Insured at the time of the loss, but not grounds pertaining to facts that occurred after the loss; the Insurer has a right of action against the Insured in respect of facts that occurred after the loss.

4. COMPENSATION AND SETTLEMENT

4.1. Basis of settlement (articles 2490, 2491, and 2493)

(applicable to property insurance only)

Unless otherwise provided, the Insurer shall not be liable for more than the actual cash value of the property at the time of the loss as normally determined.

In unvalued policies, the amount of insurance does not make proof of the value of the insured property.

In valued policies, the agreed value makes complete proof, between the Insurer and the Insured, of the value of the insured property.

If the amount of insurance is less than the value of the property, the Insurer is released by paying the amount of the insurance in the event of total loss or a proportional indemnity, in the event of partial loss.

4.2. Pair and set

(applicable to property insurance only)

In the case of loss of or damage to any article or articles, whether scheduled or unscheduled, which are part of a set, the measure of loss of or damage to such article or articles shall be a reasonable and fair proportion of the total value of the set, but in no event shall such loss or damage be construed to mean total loss of set.

4.3. Parts

(applicable to property insurance only)

In the case of loss of or damage to any part of the insured property, whether scheduled or unscheduled, consisting, when complete for use, of several parts, the Insurer is not liable for more than the insured value of the part lost or damaged, including the cost of installation.

4.4. Replacement (article 2494)

(applicable to property insurance only)

Subject to the rights of preferred and hypothecary creditors, the Insurer reserves the right to repair, rebuild, or replace the insured property. He is then entitled to salvage and may take over the property.

4.5. Time of payment (articles 1591, 2469, and 2473)

The Insurer shall pay the indemnity within sixty days after receiving the notice of loss or, at his request, all relevant information and vouchers, provided the Insured shall have complied with all the terms of the contract.

Any outstanding premium may be deducted from the indemnity payable.

4.6. Property of others (applicable to property insurance only)

Where a claim is made as a result of loss of or damage to property not owned by the Insured, the Insurer reserves the right to pay the indemnity to the Insured or to the owner of the property and to deal directly with such owner.

4.7. Waiver

Neither the Insurer nor the Insured shall be deemed to have waived any term or conditions of the policy by any act relating to arbitration or to the completion or delivery of proof of loss, or to the investigation or adjustment of the claim.

4.8. Limitation of action (article 2925)

Every action or proceeding against the Insurer under this policy shall be commenced within three years from the date the right of action has arisen.

4.9. Subrogation (article 2474)

Unless otherwise provided, the Insurer shall be subrogated to the extent of the amount paid or the liability assumed therefore under this policy to the rights of the Insured against persons responsible for the loss except when they are members of the Insured's household. The Insurer may be fully or partly released from his obligation towards the Insured where, owing to any act of the Insured, he cannot be so subrogated.

5. OTHER INSURANCE

5.1. Property Insurance (article 2496)

The Insured who, without fraud, is insured by several insurers, under several policies, for the same interest and against the same risk so that the total amount of indemnity that would result from the separate performance of such policies would exceed the loss incurred may be indemnified by the Insurer or Insurers of his choice, each being liable only for the amount he has contracted for.

No clause suspending all or part of the performance of the contract by reason of other insurance may be used against the Insured.

Unless otherwise agreed, the indemnity is apportioned among the insurers in proportion to the share of each in the total coverage, except in respect of specific insurance, which constitutes primary insurance.

5.2. Liability insurance

The liability insurance provided under this policy is primary insurance except when stated to apply in excess of, or contingent upon the absence of, other insurance. When this insurance is primary and the insured has other insurance which is stated to be applicable to the loss on an excess or contingent basis, the amount of the Insurer's liability under this policy shall not be reduced by the existence of such other insurance. When both this insurance and other insurance apply to the loss on the same basis whether primary, excess or contingent, the Insurer shall not be liable under this policy for a greater proportion of the loss than stated in the applicable contribution provision below:

- Contribution by equal share: If all of such other collectible insurance provides for contribution by equal shares, this Insurer shall not be liable for a greater proportion of such loss than would be payable if each Insurer contributed an equal share until the share of each Insurer equals the lower's applicable

- limit of liability under any one policy of the full amount of the loss is paid, and with respect to any amount of loss not so paid the remaining insurers that continue to contribute equal shares of the remaining amount of the loss until each such insurer has paid its limit in full of the full amount of the loss is paid.
- Contribution by limits: If any such other insurance does not provide for contribution by equal shares, this Insurer shall not be liable for a greater proportion of such loss than the applicable limit of liability under this policy for such loss bears to the total applicable limit of liability of all valid and collectible insurance against such loss.

6. CANCELLATION (articles 2477 and 2479)

This policy may be cancelled at any time:

- (a) By mere written notice from each of the Named Insureds. Termination takes effect upon receipt of the notice and the Insured shall therefore be entitled to a refund of the excess of the premium actually paid over the short-term rate for the expired time.
- (b) By the Insurer giving written notice to each of the Named Insureds. Termination takes effect fifteen days following receipt of such notice by the Insured at his last known address and the Insurer shall refund the excess of premium actually paid over the pro rata premium for the expired time. If the premium is subject to adjustment or determination as to amount, the refund shall be made as soon as practicable.

Where one or more of the Named Insureds have been mandated to receive or send the notices provided for under paragraph (a) or (b) above, notices sent or received by them shall be deemed to have been sent or received by all Named Insureds.

In this Condition, the words "premium actually paid" mean the premium actually paid by the Insured to the Insurer or its representative, but do not include any premium or part thereof paid to the Insurer by a representative unless actually paid to the representative by the Insured.

7. NOTICE

Any notice to the Insurer may be sent by any recognized means of communication to the Insurer or its authorized representative. Notice may be given to the Named Insured by letter personally delivered to him or by mail addressed to him at his last known address.

It is incumbent upon the sender to prove that such notice was received.
