## **6. CLAIMS PROCEDURES AND PAYMENT OF CLAIMS**

Written notice of claim must be given to the insurer within 90 days after an Insured's loss, or as soon thereafter as reasonably possible. Notice given by or on behalf of the claimant to AIG Insurance Company of Canada, 120 Bremner Boulevard, Suite 2200, Toronto, ON M5J 0A8 with information sufficient to identify the Insured, is deemed notice to the insurer.

### **Claim Forms**

The insurer will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the claimant gave notice, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in the policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The notice should include the Insured's name, the policyholder's name and the policy number.

### **Proof of Loss**

Written proof of loss must be furnished to the insurer within 90 days after the date of the loss. If the loss is one for which the policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as the insurer may reasonably require. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than one (1) year from the time proof is otherwise required.

### **Payment of Claims – To whom the claim is paid**

Any monies payable under the policy are payable in the lawful money of Canada with the exception of the U.S. Visa or Mastercard Corporate Card which are payable in the lawful money of the United States of America. Upon receipt of due written proof of death, payment for loss of life of an Insured will be made to the Insured's beneficiary as described in the *Beneficiary Designation and Change* provision of the *General Provisions* section in the policy.

Upon receipt of due written proof of loss, payments for all losses, except loss of life, will be made to (or on behalf of, if applicable) the Insured suffering the loss. If an Insured dies before all payments due have been made, the amount still

payable will be paid to his or her beneficiary as described in the *Beneficiary Designation and Change* provision of the *General Provisions* section in the policy.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for his or her property, a payment not exceeding \$1,000 may be made, at the insurer's option, to any relative by blood or connection by marriage of the payee, who, in the insurer's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

Any payment the insurer makes in good faith fully discharges the insurer's liability to the extent of the payment made.

### **Time of Payment of Claims**

Benefits payable under the policy for any loss other than loss for which the policy provides any periodic payment will be paid immediately upon the insurer's receipt of due written proof of the loss. Subject to the insurer's receipt of due written proof of loss, all accrued benefits for loss for which the policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the insurer is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

**insurer** means AIG Insurance Company of Canada.
